This 30-inch Amana® Electric Range comes with Bake Assist Temps to help you get dinner going. Simply choose a preset temperature setting to get started. Or, set your bake or broil temperatures with Easy Touch Electronic Controls Plus, which are extra-large and easy-to-read. And when you need to know how your dinner is doing without opening the oven door, the Extra-Large Oven Window lets you see and savor.

Top Features

- Large Oven Capacity
- Versatile Cooktop
- Bake Assist Temps
