This 30-inch Amana® Electric Range features elements with up to 3,000 watts and comes with a Front Console, which puts all the extra-large, easy-to-read controls right within reach. Then get started on dinner with Bake Assist Temps that let you pick a preset temperature setting for extra convenience. And, when you need to check ondinner, our Extra-Large Oven Window gives you a full view without letting out the heat. When dinner's done, use the Self Clean Option to take care of the cleanup.

Top Features							
Large Oven Capacity (4.8 cu. ft.)							
Versatile Cooktop							
Bake Assist Temps
