## Wall Mount

The SC(B)302 embodies the qualities and characteristics that distinguish Cyclone from the competition. This handsome and tasteful range hood is a wonderful compliment to modern and upscale home decor. Featuring button-controlled LED lights and a three-speed fan, the attractive glass canopy broadly frames the filters and blocks smoke and grease from staining the vent shaft. Quiet and powerful, the fan draws air out of your kitchen with minimal sound and is also fitted with a time-delay OFF feature up to nine minutes.
