

BGC30-BQ-L

30" All Grill for Built-In or On Cart Applications

Series 7

DCS Outdoor Grills are simply the most advanced grilling system available for on-cart or built in applications. At DCS we combine the latest grilling technology and innovation to deliver the ultimate in outdoor cooking performance and control. Every DCS Grill is handcrafted and constructed entirely of heavy gauge type 304 stainless steel. Available in Natural and LP Gas. Grill Cart pictured sold separately.

Features & Benefits

Stainless Steel Burners

The precision ported U-shaped stainless steel burners are rated at a massive 25,000BTU each, offering premium quality and performance. A heat shield directs heat upwards maximizing heating efficiency.

Ceramic Radiant Technology

A layer of ceramic rods provides intense yet even heat. It gives a consistent grilling surface, with controlled heat rather than direct fire.

Precision heat and control

A DCS Grill puts you in control of up to a massive 50,000 BTU per hour total power. That power lets you choose the precise heat you need from a low and slow 300° up to an intense 1100°. DCS Grills do more than help you grill an incredible steak, you can close the specially designed hood and use the power of convection to cook the perfect pizza. DCS Grills put you in control, giving you the versatility to cook what you want.

Drip Pan

DCS Grills feature a removable drip pan, conveniently located in a slide-out tray to allow for easy cleaning.

Full Surface Searing

This grill features full surface searing, rather than uneven hotspots.

Real steel - inside out

Assembled by hand from heavy duty 304 stainless steel, inside and out, DCS Grills are built to handle most everything Mother Nature can throw at them.

Comprehensive warranty

Your DCS Outdoor Grill comes with a class-leading warranty including 2 years full coverage for parts and labor and a lifetime warranty on the grill burners, hood, cooking grates, burner box and racks.* * Lifetime warranty excludes discoloration or surface corrosion. For complete DCS Warranty details refer to the Use & Care Guide.

Specifications

Accessories sold separately
