

CALABRIA WALL-MOUNT

ELICA PRO SERIES

LED lamps

backlit hidden metallic in/out knobs

stainless steel professional baffle filters

For homeowners who are passionate about the culinary arts, the seamless welded corner craftsmanship, traditional styling and gleaming stainless steel of Calabria, provides the look and performance you expect from a professional-grade range hood. With the new backlit hidden knob controls and traditional baffle filters, Calabria is available in 30", 36", 42", and 48" widths and equipped with a 600 CFM (30") or 1200 CFM blower (36", 42", 48") to support all cooking needs.

Calabria is designed for standard ducted ventilation only.

Consumable parts are sold in units of one (1). Order accordingly.

PLUS

HUSH SYSTEM

An exclusive sound deadening technology that effectively reduces sound levels by over 35%, compared to typical range hoods.

LED LIGHT

LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, represents the most remarkable advantage of LED light bulbs.

PROFESSIONAL PERFORMANCE

Special features and very high performances for models with aspiration capacity between 600 and 1200 CFM's, and noise level between 65 and 75 db(A) at maximum speed. The ideal complement of PRO ranges.

HEAT GUARD

A safety feature that protects the hood and cabinetry from excessive heat, by sensing extreme temperatures (>158 degrees) and will automatically adjust the blower speed to HIGH. Blower speed will automatically adjust back once temperatures drop to a safe level.
