ELICA'S EXCLUSIVE  
PLUS FEATURES

Volterra, with its pyramid shaped angles and stainless steel finish, makes a striking visual statement to any kitchen. Available in 30" or 36" widths, Volterra features multiple backlight color touch controls that illuminate in elegant white, green, blue or red, LED lighting and 4-speed blower. It also features a telescopic chimney for up to 9'2" ceilings. Multiple clicking sound options are also available.

Designed for standard ducted installation Volterra can also be installed as a recirculating system using the kit available as an accessory.

PLUS FEATURES

**3X LAYER GREASE FILTER** - Elica aluminum mesh filters are a step above competition, featuring triple layered, anodized aluminum that is woven into a highly dense mesh. The thick mesh captures more grease, anodization helps resist staining and provides durability to repeated cleanings in the dishwasher.

**LED LIGHT** - LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, and should last the full life of the hood.

**CFM REDUCTION** - CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the user to reduce the maximum blower CFM, to meet local code requirements.

HVI Certified Ratings	High Speed	Working Speed	Duct Size
CFM	350	100	6" (Vertical)
Sones	8	1	6" (Vertical)
