

# Induction Cooktop, 36", 5 Zones, with SmartZone

Series 9 | Minimal

Black Glass

This Series 9 cooktop is a joy to use, with the instant response and energy efficiency of induction technology.

- Immediate heat response and extremely accurate temperature control
- Child and pet safe - cooktop remains cool to touch until a pot or pan is placed on the surface
- PowerBoost activates a very high heat, bringing liquid to boil in less than a minute
- Easily control each cook zone with Touch&Slide, including pairing cook zones to create a large SmartZone

## DIMENSIONS

Height	3 <sup>3</sup> / <sub>8</sub> "
Width	35 <sup>7</sup> / <sub>16</sub> "
Depth	20 <sup>7</sup> / <sub>8</sub> "

## FEATURES & BENEFITS

### Complementary design

The subtle black glass and durable matte black detailing are designed to pair with the Minimal style Series 9 Ovens. With premium styling and detailing, these cooktops seamlessly blend with other appliances for a cohesive, considered kitchen design.

### Enhanced features

PowerBoost and GentleHeat deliver either very high or very low heat, fast. Perfect for specialized cooking tasks such as searing meat and melting chocolate. An integrated timer ensures a great result every time

### Instant response

Go from a boil to a simmer in seconds. Touch&Slide controls react immediately when you adjust the temperature so you don't waste time in the kitchen.

### Safer choice

Induction cooktops only start heating your pot or pan once you've placed it on the ceramic surface and stop as soon as you remove it - so you don't have to worry about curious little fingers or leaving a cook surface on.

### Easy cleaning

The surface around your cookware stays cool when you cook - preventing baked-on spills and making cleaning up a breeze. The ceramic cooktop surface, including anodized detailing for durability, just needs a quick wipe after use to maintain its good looks.

### Superior efficiency

Less heat is wasted during induction cooking because only the cookware is heated, not the cooktop surface. This makes induction cooking more energy-efficient than electric or gas cooktops.

## SPECIFICATIONS

### Cleaning

- Flat easy clean glass surface

### Controls

- Auto cut-off timer for each
- Minute timer
- Soft-touch electronic controls
- Touch and slide controls

### Performance

- Auto rapid heat
- Dual zones **1**
- Gentle heat **2 settings**
- Heat settings **9**
- Induction cooking technology
- PowerBoost
- SmartZone **2**

### Power requirements

Amperage	<b>43A</b>
Supply frequency	<b>60HZ</b>
Supply voltage	<b>240V</b>
