

Wall Range Hood, 36"

Series 5 | Professional

Stainless Steel

Striking design that pairs well with any appliances in our Professional range. Fast, efficient extraction of steam and odors.

- With four fan speeds, select the perfect extraction rate for your cooking
- With dishwasher-safe stainless steel baffle filters
- Powerful 600CFM maximum airflow

DIMENSIONS

Height	12 "
Width	35 ⁷ / ₈ "
Depth	23 "

FEATURES & BENEFITS

Design quality

The high quality finish, premium grade stainless steel and robust product design combine to deliver an efficient wall hood. This vent hood can also be installed within cabinetry.

Simple controls

A single on/off button makes the hood easy to use. A slider control lets you precisely adjust the fan speed up or down. Two level halogen lighting effectively illuminates the cooking surface.

Easy cleaning

Filters effectively trap grease particles during extraction. They are easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

Complementary Design

The stainless steel finish is designed to match the rest of the Fisher & Paykel kitchen appliance family.
