- **Modern Design** - The modern design on this beverage center features a sleek handle and glass door with stainless trim that will integrate into your kitchen beautifully
- **Reversible Glass & Wood Shelves** - Easily flip the four reversible flex shelves to accommodate different types of beverages. Use the wooden side to hold wine bottles in place, and the glass side for cans of beer, soda and more
- **Showcase Shelf** - This shelf can be angled, giving you the option to store your wine bottles on their side or display them with the labels showing so you can find the one you want in no time
- **155-Can or 52-Bottle Capacity** - This large capacity beverage center gives you extra space to store your favorite beverages and more
- **Freestanding or Built-In Capable** - This beverage center can be freestanding or built-in so it fits flush with your cabinetry
- **Recessed LED Lighting** - Recessed LED interior lighting helps you locate items quickly and easily
- **Digital Temperature Controls** - Upfront digital temperature controls are easy to access and let you store items anywhere between 38 and 61°F
- **Stainless Steel Handle** - This stainless steel handle has a clean, classic look that will complement your kitchen
- **Glass Door** - A tinted glass door with stainless steel accents has a high-end, modern appearance that will blend well with your other appliances and décor
- **Door Alarm** - An easy-to-hear door alarm makes sure you always know when the door has been left open, so you can save refrigerated items and energy

- Beverage Center Power Button - Use a power button to turn your beverage center on and off without needing to access the plug
- Interior Lighting Power Button - Use a power button to turn your interior lighting on or off
- ADA & UFAS Compliant - This beverage center is compliant with the ADA and UFAS, as it's designed to be accessible, easy to open and easy to use
- Star K Certified - Adjust beverage center settings to observe religious holidays and days of rest
