46-Bottle Dual Zone Wine Fridge

Model-HWD046N6SS

The Hisense 46-bottle dual zone wine fridge is designed to showcase and preserve your valuable wine collection. With 5 smooth-glide shelves, it makes it easier to find tonight's wine to pair with your meal. It's reversible door makes it ideal for any layout - no matter what room you entertain in. And with its premium finish, your wine will be stored in style.

Maintain and expand your wine collection with Hisense ConnectLife & Vivino

Monitor the temperature from anywhere, using the ConnectLife app and easily catalogue and expand your wine collection with Vivino.

Vibration Control

Special anti-vibration dampers and easy-glide shelving help reduce micro-vibration, which can stir up sediment and decrease the enjoyment of your wine.

Design

Designed to showcase your wine collection either built-in to your cabinetry, or stand alone on Beechwood-faced, easy-glide shelving. It features a smooth-touch control panel with premium blue LED lighting.

Humidity Control

Humidity Control is important to prevent corks from shrinking and your wine from spoiling. Designed to help preserve your wines within the optimal 60% humidity range.

Preservation

Low-E and UV glass provides protection against environmental elements. With Dual Zone temperature control, this wine fridge is designed to preserve your valuable wine collection.
