CU.FT.

BOTTOM MOUNT REFRIGERATOR

Titanium Series

Model: RB17A2CSE / RB17A2CWE

Bottom Mount Refrigerator

Available in

COUNTER DEPTH

The RB17 series fits perfectly into your kitchen with its counter-depth design and 31.1 inch width. It's 17 cu.ft. capacity offers you plenty of flexible storage - no matter how you shop.

FINGERPRINT-RESISTANT

A fingerprint resistant Titanium finish makes cleaning a breeze. Easy to clean with just warm water and a microfibre cloth, your fridge will always look great!

GALLON DOOR STORAGE

Conveniently place the most accessed items such as large juice or milk containers in the gallon door storage and free up valuable shelf space, helping you to better organize your fridge.

ELECTRONIC TOUCH CONTROL

Enables you to easily set the temperature inside the fridge and freezer. It's clear to read, easy to reach and simple to use. Using electronic sensors, the fridge ensures accurate temperature control.

SUPER FREEZE

This function rapidly lowers the temperature to -24 °C. Helps lock in nutrients and flavour by freezing food fast.

With a premium flat panel design and easy to clean protective exterior coating, the RB17 fits and looks great in your kitchen. The fridge hosts gallon door storage, a large crisper and bottom freezer drawer, making the RB17 a convenient choice for the whole family.
