PureFlat Collection

22.3 CU.FT. BOTTOM-MOUNT REFRIGERATOR

Model-RB22A2FSE

## Perfect Blend of Design and Performance

The RB22A2FSE is a 22.3 cu.ft., flat door design, full depth stainless steel refrigerator. Part of the PureFlat design collection, the refrigerator provides gallon door storage, external door handles, fruit & vegetable crispers and electronic touch controls. The durable inverter compressor reduces energy consumption, runs quieter and ensures a more stable temperature. PureFlat brings together a combination of design, performance, value & sustainability to your home.

### Say Goodbye To Fingerprints

Anti-fingerprint stainless steel exterior resists fingerprints and makes cleaning easy. This unique finish requires no special cleaners so you can keep your fridge looking great.

### A Lasting Appliance That Saves Energy

Energy efficient refrigerators with Inverter Technology can help you save energy and money. Inverter Technology monitors and manages the temperature inside the refrigerator, which extends the life of your appliance.
