PureFlat Collection
22.1 CU.FT. FRENCH DOOR REFRIGERATOR

Model-RF22B3FSE

A sleek and modern-day Refrigerator for your stylish kitchen

The RF22B3FSE is a 22.1 cu.ft., full depth Stainless Steel French Door Fridge. The PureFlat design, 2 crispers and full width shelving provide flexible storage. The premium appearance of the PureFlat door design with recessed handles makes this fridge a great combination of style and capacity. The inverter compressor reduces energy consumption, runs quieter and ensures a more stable temperature in your fridge.

INVERTER COMPRESSOR

Utilizing an inverter compressor, your new fridge will be quieter and maintain a more consistent temperature in your fridge – A more stable temperature means food will last longer.

SURROUND LED LIGHTING

Three separate groups of LED lighting, located across the top and down each side, provide clear even lighting throughout the cavity of the fridge, making it easy to find what you're looking for.

FINGER PRINT RESISTANT STAINLESS STEEL

Anti-fingerprint stainless steel exterior resists fingerprints and makes cleaning easy. This unique finish requires no special cleaners so you can keep your fridge looking great!

GALLON DOOR STORAGE

Hisense's gallon door storage is the solution for taller items. The refrigerator's gallon door design provides the perfect space to store bulkier items. No matter if it's gallon jugs or 2L bottles, the 232 mm wide shelf can handle any challenge and allows you quick access to items you use most frequently.

METAL GLIDE DRAWERS

Durable metal easy-glide runners allow you to smoothly pull out the storage bins in the refrigerator compartments. Capable of holding up to 27kg of groceries per drawer you can load them up without worry.
