## Signature Features

### 38 DBA TRANQUILITY<SUP>1</SUP> </SUP>

Listen to the hush. At 38 dBA, JennAir is the quietest luxury dishwasher brand, all without sacrificing performance. <br><sup>1</sup> Per IEC standards.</sup>

### CINEMATIC LIGHTING

Shine a spotlight on clean. LED theater lighting ramps up to full intensity to chase away shadows and illuminate the daring Obsidian racks.

### FLEXIBLE CAPACITY

Intimate affairs. Wild soirees. Enough capacity for a service of 14 means there's always room for one more.

### TRIFECTA™ WASH SYSTEM

No need to choose between brilliant cleaning, energy efficiency or quiet operation because our dishwashers deliver all three. Three-stage filtration, pressurized wash arms and alternating wash action in two zones work together to wash dishes with clean water.

### SUPERIORGLIDE UPPER RACK

Strong and stable. The upper rack glides smoothly and quietly, even when fully loaded. Each rail features 52 ball bearings for quiet operation.

### ELEVATION RACK ADJUSTERS

Take customization to the next level. Easily raise or lower the upper rack with your thumbs and forefingers.

### DARING OBSIDIAN RACKS

A JennAir® signature, this dramatic, industry-exclusive black finish is inspired by the beauty of volcanic glass—showcasing clean dishes in striking contrast.

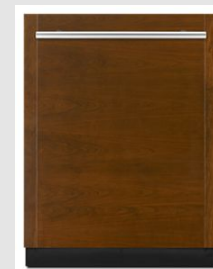

### FOLD-AWAY™ TINES

Hinged tines allow space reconfiguration to handle uncommon cookware on special occasions or adapt to the every day.

### CONCEALED CONTROLS

Hidden, touch-activated controls sit flush on the door's top for a seamless expression that blends with your kitchen.
