

PANEL-READY 24" BUILT-IN TRIFECTA™ DISHWASHER, 38DBA

Signature Features

38 DBA TRANQUILITY¹ </SUP>

Listen to the hush. At 38 dBA, JennAir is the quietest luxury dishwasher brand, all without sacrificing performance.
¹ Per IEC standards.</sup>

DARING OBSIDIAN RACKS

A JennAir® signature, this dramatic, industry-exclusive black finish is inspired by the beauty of volcanic glass— showcasing clean dishes in striking contrast.

SUPERIORGLIDE UPPER RACK

Strong and stable. The upper rack glides smoothly and quietly, even when fully loaded. Each rail features 52 ball bearings for quiet operation.

ULTRAGLIDE LOWER RACK

Strong and stable. This adjustable lower rack glides smoothly on high-end rails.

CINEMATIC LIGHTING

Shine a spotlight on clean. LED theater lighting ramps up to full intensity to chase away shadows and illuminate the daring Obsidian racks.

FOLD-AWAY™ TINES

Hinged tines allow space reconfiguration to handle uncommon cookware on special occasions or adapt to the every day.

TRIFECTA™ WASH SYSTEM

No need to choose between brilliant cleaning, energy efficiency or quiet operation because our dishwashers deliver all three. Three-stage filtration, pressurized wash arms and alternating wash action in two zones work together to wash dishes with clean water.

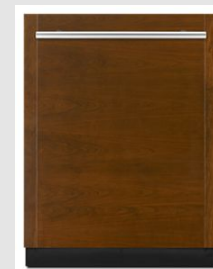

REMOVABLE 3RD-LEVEL RACK

This removable, adjustable top-most third rack holds unwieldy spatulas, whisks and ladles, or can be used for overflow silverware.

FLEXIBLE CAPACITY

Intimate affairs. Wild soirees. Enough capacity for a service of 14 means there's always room for one more.
