### \*IMPORTANT\*

- PORTER&CHARLES ovens are supplied with a 5' long electrical cable and must be hard wired to the electrical supply
- PORTER&CHARLES ovens uses the following wires,  
Live wires: RED & BLACK  
Ground: GREEN  
The Neutral (White) wire is not required for the electrical installation.

### FALSE BACKS

- Install false backs for storage spaces. This will prevent contents from falling through the vent space. In addition, warm air will not interfere with your stored contents

### AIR FLOW

- Air flow is required for all P&C ovens to prevent shortening the life of the appliance.

Porter & Charles Appliances are designed and manufactured to the highest standards.  
Each appliance is covered by a comprehensive 2-year parts and labor warranty.

**Refer to product warranty policy for complete terms and conditions.**
