SAMSUNG

1.4 cu. ft. Countertop Microwave

## Signature Features

### Ceramic Inside™

- The MS6000 Microwave oven features a smooth ceramic interior that is easy to clean and won't scratch or discolour over time. Scratch-resistant interior is made to last.

### Sensor Cook

- With a push of a button, Sensor Cook senses the interior air humidity and automatically adjusts the cooking mode and time to retain the natural texture and flavour of ingredients. So you can prepare delicious vegetables, chicken, pasta and more with ease.

### Triple Distribution System

- Improves the heat distribution to cook food more evenly and thoroughly.
