SAMSUNG

Top Load Washer with ActiveWave Agitator and Self Clean
5.0 cu. ft. Capacity IEC

Signature Features

The ActiveWave Agitator

The specially designed wing shape and size of the ActiveWave Agitator are optimized to reduce the tangling of clothes around the pillar of the agitator. So it keeps your clothes in better condition, without the wear and tear of tangles, twists and knots. The agitator is also designed to spin smoothly and efficiently, so it produces less vibration and noise¹ and won't disturb you when it's working.

Vibration Reduction Technology+

The Vibration Reduction Technology Plus™ reduces noise and vibration for quiet washing.

Self Clean

Keep your washer fresh and clean with Self Clean technology. Self Clean will notify you every twenty wash cycles when it is time for a cleaning.
