

WA50R5200AW

SAMSUNG

Top Load Washer with Active Water Jet Faucet and EZ Access Tub
5.8 cu. ft. Capacity IEC

Signature Features

EZ Access Tub

Our new EZ Access tub is shallower without sacrificing capacity, so you can easily reach the bottom of the washer tub to remove clothes when the cycle finishes.

Active Water Jet

A built-in water faucet lets you easily pretreat soiled or heavily stained clothes with a press of a button. Scrub items right inside your washer, no laundry room sink needed.

Deep Fill

Maximize the water level used during your washing cycle by selecting the Deep Fill option¹ before starting your laundry. Deep Fill automatically adds extra water at the right time to ensure that all your items are thoroughly soaked.
