

**Liberty®, Induction freestanding range cooker, Stainless steel
PRI36LBHC**

The range combines unmatched Induction flexibility and performance with the power of a Convection Oven to create a range that's sure to move you. The cooktop has three extra-large flexible cooking zones that can accommodate large or oblong cookware.

- Liberty® Induction Cooktop: is designed for greater flexibility when cooking and a sleek smooth surface makes cleaning fast and simple.
- Frameless Design: Frameless black glass cooktop covers the surface seamlessly fitting into any kitchen.
- True Convection Oven: Convection oven with a third element, adds greater efficiency to your convection baking to cook multiple levels of sheet pans evenly.
- Three Full Access® Telescopic Racks: glides smoothly on ball bearings, allowing them to extend for safe, easy access while supporting the heaviest dishes.
- Truly Flush Mounted: designed to fit perfectly flush alongside standard 24" depth cabinets.
