Enjoy home-cooked meals with an electric range that's designed to fit your home and your life. The counter depth design makes sure your Whirlpool® freestanding electric range fits seamlessly into your kitchen, while the AccuBake® temperature management system ensures even results for every dish you cook. High-speed coil elements quickly heat pots and pans, while the high-heat self-cleaning system makes cleanup a breeze. This self-cleaning oven also offers 4.8 cu. ft. of capacity, so you'll always have the space you need to cook everything from tonight's side dish to tomorrow's family dinner.

### Top Features

Temperature Sensor

EasyView™ Large Oven Window

High-Speed Coil Element
