

WMHA9019H MICROWAVE COMBINATION HOOD

SMART APPLIANCE

Care smarter with connected features that let you send cooking instructions to the microwave from your smartphone, control your kitchen with voice commands through a smart home assistant or easily keep up with service and maintenance.*

SCAN-TO-COOK TECHNOLOGY

Get the right settings every time. Scan a frozen food barcode with your smartphone or tablet and send recommended or customized cooking instructions straight to your microwave for dinner done the way your family wants it.**

TOUCHSCREEN

Get instant access to the settings you use most with a touchscreen that learns, adapts and suggests customized presets based on your family's routines.
