Give clothes a deep and gentle clean with the Whirlpool® high efficiency washer with agitator. The two-way wash action agitator and stainless steel washer drum turn in opposite directions, moving fabrics smoothly through the wash. The Quick Wash cycle washes small loads with high spin speeds removing more water. This auto sensing washer also regulates water levels based on load size.

Top Features

Quick Wash cycle

Deep Water Wash option

Smooth Spiral stainless steel wash basket

Controls	
Automatic Temperature Controls	Yes
Control Type	Knobs
Control Location	Rear Console
